To whom it may concern,

SUBJECT: REGISTRATION FOR ROOFTOP SOLAR PV SYSTEM IN DCRP

with reference to the DCRP meeting (Q1/2021), date 2nd February 2021 regarding the above-mentioned subject and DCRP continuous support to SMEs, please note that DCRP has the made the following decisions for solar PV installers registration:

1. To keep Solar certification independent from electrical contractor registration requirement.
2. the connection with distribution network should be conducted by approved DCRP electrical contractor as per Distribution companies' requirements.
3. To extend the validity of Solar PV Installer certificate for **3 years** instead of **1 year**.
4. **The registration fees** will be as follows:

Sr. No.	Category	Fees (OMR)	
		Application	Certificate
1	S1	10	30
2	S2	10	60
3	S3	10	90

5. **HSE requirements** to be submitted during registration:

Sr. No.	Staff	HSE Training course
1	Jr. PV Engineer	HSE induction
2	Sr. PV Engineer	IOSH

Noting that the above to be implemented with effective date of March 1st, 2021.

Moreover, Regarding **Solar Consultancy requirements**, please note the following DCRP Decision:

- Solar consultancy service for **solar installers (S2 and S3)** Works to be made a mandatory requirement with effect date **from December 2021**.

This is for your kind information and further necessary actions.
