New building provides civil registry facility for citizens

MUSCAT: The new building of the General Directorate of Civil Status in Seeb, which began operations on March 17, has eased the congestion at the centre, officials said.

The Building No.1 near the management building now provides the civil registry facility for citizens.

It also issues and renews civil IDs and records all the civil facts.

Recently, a new medical examination centre to test expatriates for infectious diseases was also opened, which has eased the pressure on the Infectious Diseases Examination Centre in Darsait.
